Vegetable Seed Trade

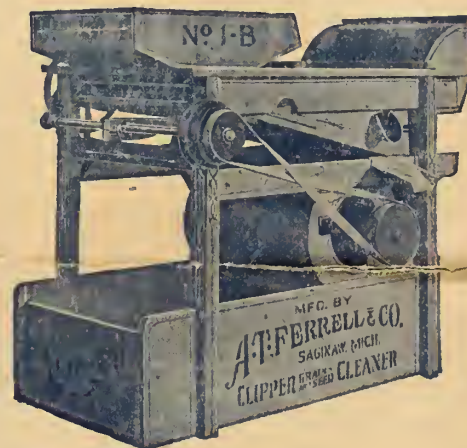

CLIPPER MILLS

No. 1-B Clipper Mill. \$32.00

No. 2-B Clipper Mill. 38.00

These Cleaners are equipped with probably the best assortment of screens for general grain and seed cleaning ever sent out with any mill, including screens for grain, field seed, corn and corn grading, as well as screens for beans, peas and soy beans. Also screens for removing buckhorn from clover and pepper grass from timothy seed, etc. Unequaled for high grade work.

PLANT MORE LEGUMES AND GRASSES FOR FARM RELIEF

The International Crop Improvement Association support an aggressive program this year of an increased sowing of legumes and grasses, particularly legumes, as not only the most immediate form of "Farm Relief" but also as a means of establishing a permanent form of relief.

Therefore, during this low price period, sow more legumes to give the soil a rest and to build it up for better grain production later when prices are higher.
